

Remarks

Currently pending in the application are Claims 1-4, 6-12 and 16-23, wherein Claims 1-4, 6-12 and 16-21 are rejected, wherein Claims 1-4, 6-12 and 16 are currently amended, and wherein Claims 22 and 23 are newly added.

Applicants thank the Examiner for the pleasant telephonic interview with Jason P. Sander, Reg. No. 54,422 on April 18, 2007. Applicants believe that this response constitutes a proper summary of that telephonic interview.

The Examiner requested that Listing of Claims provided within Applicants' December 22, 2006 response to office action be revised to place them inline with the most recently filed amendments. Accordingly, Applicants provide the above Listing of Claims.

The above Listing of Claims differs from the Listing of Claims provided on December 22, 2006 in Claims 1, 9, 16, 21, and 22. In particular, Claims 1 and 16 have been revised to superscript the "3" within kg/m^3 . Claim 9 now recites the originally filed Claim 9, wherein the term "Process" has been replaced with the term "The process". Claim 16 has been revised to correct the spelling of the term "polyurethane" within step e, and to correct the recitation of steps e and f. Claim 21 has been revised to delete the extra term "of" in the second line, and to include the inadvertently omitted term "content" within the third line. Claim 22 has been revised to redact the strikethrough. Applicants assert that these inconsistencies were the result of minor typographical errors, and respectfully request that their entry be made without prejudice.

Out of an abundance of caution, Applicants file herewith a revised response to office action incorporating the above noted changes to the listing of the claims.
